Support our first Online Auction!

On April 6th, 2010, Morey Middle School will be kicking off our inaugural Online Auction fundraiser!

We want to raise enough funds to continue our student intersession offerings in the fall and spring.

A student intersession is an opportunity for students to participate in academic exploration, and experiential learning. We are accepting donations NOW!

Donate a product, service or monetary gift to highlight your business/organization on our auction website (form attached).

We will be accepting donations from:
